PRE-PRINT FINAL  
STEVENS CREEK TRAIL  
FEASIBILITY REPORT

IMPLEMENTING PORTIONS OF TWO OF SANTA CLARA COUNTY'S TRAIL ROUTES:  
STEVENS CREEK TRAIL (ROUTE S-2) AND  
JUAN BAUTISTA DE ANZA NATIONAL HISTORIC TRAIL (ROUTE R-1A)

SEPTEMBER 23, 2002

Prepared by:  
Jana Sokale, Environmental Planner

For:  
City of Cupertino  
Parks and Recreation Department  
Santa Clara County

---

## CONSULTANT TEAM

---

Parks and Recreation Department

In conjunction with the  
Stevens Creek Trail Task Force

---

## **LEAD CONSULTANT**

**Jana Sokale, Principal Environmental Planner**  
Newark, California

## **SUBCONSULTANTS**

### **Cotton Shires and Associates**

Geotechnical Consultants  
Los Gatos, California

Pat Shires, Principal Geotechnical Engineer  
Ted Sayre, Supervising Engineering Geologist  
David Schrier, Senior Engineering Geologist

### **Hill Associates**

Landscape Architecture and Planning  
Los Gatos, California

Bruce Hill, Principal Landscape Architect  
Dominic Lopez, Project Landscape Architect

### **Glenn Lyles**

Trails Specialist  
Los Gatos, California

### **Lynne Trulio, Ph.D.**

Wetland and Wildlife Ecologist  
Mountain View, California

### **Strick\*Land\*Design**

Landscape Architecture  
Mountain View, California

Kathryn Strickland, Principal Landscape Architect

## **ENVIRONMENTAL CONSULTANT**

### **Thomas Reid Associates**

Environmental Consultants  
Palo Alto, California

---

## CONSULTANT TEAM

---

Thomas Reid, Principal in Charge  
Christine Schneider, Project Manager/Senior Associate  
Janet Cochrane, Senior Associate

## ACKNOWLEDGEMENTS

---

Thanks to all who participated in the preparation of this Feasibility Report. The study was completed under the direction of the Cupertino Parks and Recreation Department and under the guidance of the Stevens Creek Trail Task Force. The members of the Task Force donated countless hours to learning about the trail alignments and gathering input from the community. Thanks to the members of the community whose comments helped to shape the trail alignments.

### STEVENS CREEK TRAIL TASK FORCE MEMBERS

David Greenstein, Chair, Cupertino Bicycle/Pedestrian Advisory Committee  
Craig Breon, Vice-Chair, Santa Clara Valley Audubon Society  
Jeanne Bradford, Cupertino Parks and Recreation Commission  
Susie Brain, Friends of Stevens Creek Trail  
John Buenz, Meadows Home Owners Association  
Ann Cleaver, Meadows Home Owners Association  
Dave Constant, Cupertino Swim & Racquet Club  
John Giovanola, Hanson Permanente Cement  
Mary Jo Gunderson, Linda Vista Neighborhood  
Scott Hathaway, Deep Cliff Golf Course  
Steve Haze, Cupertino Historical Society  
Beez Jones, Stevens Canyon Homeowners  
John Kolski, Stevens Creek Quarry  
Richard Lowenthal, Cupertino City Council  
Chuck Noble, Scenic Circle Homeowners

### CITY OF CUPERTINO STAFF

David Knapp, City Manager  
Michael O'Dowd, Project Manager and Blackberry Farm Supervisor  
Marie Preston, Administrative Secretary, Parks and Recreation Department  
Therese Smith, Director, Parks and Recreation Department

<b>EXECUTIVE SUMMARY .....</b>	<b>i</b>
<b>CHAPTER 1 - PURPOSE AND BENEFITS .....</b>	<b>1</b>
Regional Setting	
Planning Process	
Feasibility Study Goals	
Methodology	
Significance and Benefits	
Inclusion in Regional Plans	
Recreation Benefits	
Transportation Benefits	
Environmental Benefits	
<b>CHAPTER 2 - FEASIBILITY CRITERIA .....</b>	<b>15</b>
Land Availability	
Habitat Sensitivity	
Roadway and Creek Crossings	
On-Street Connectors	
<b>CHAPTER 3 - FEATURES OF THE TRAIL .....</b>	<b>23</b>
Off-street Trails	
On-Street Bicycle Facilities	
Engineered Structures	
Underpasses	
Pedestrian/Bicycle Bridges	
At-Grade Street crossings	
Points of Interest	
Destination Points	
Access Points	
Staging Areas	
Interpretive Stations	
<b>CHAPTER 4 - TRAIL ALIGNMENT .....</b>	<b>27</b>
<b>STUDY AREA A .....</b>	<b>28</b>
<b>RANCHO SAN ANTONIO COUNTY PARK TO STEVENS CREEK BOULEVARD</b>	
Location, Land Use and Ownership	
Cultural History	
Creek Character, Plant Communities and Animal Life	
Points of Interest	
Site Analysis Findings	
Trail Alignment	
Access Points	
Staging Areas	
Interpretive Stations

Habitat Enhancement Opportunities	
STUDY AREA B .....	46
STEVENS CREEK COUNTY PARK TO LINDA VISTA PARK	
Location, Land Use and Ownership	
Cultural History	
Creek Character, Plant Communities and Animal Life	
Points of Interest	
Site Analysis Findings	
Trail Alignment	
Access Points	
Staging Areas	
Interpretive Stations	
Rejected Alternatives	
Habitat Enhancement Opportunities	
STUDY AREA C .....	62
LINDA VISTA PARK THROUGH MCCLELLAN RANCH TO BLACKBERRY FARM	
Location, Land Use and Ownership	
Cultural History	
Creek Character, Plant Communities and Animal Life	
Points of Interest	
Site Analysis Findings	
Trail Alignment	
Access Points	
Staging Areas	
Interpretive Stations	
Rejected Alternatives	
Habitat Enhancement Opportunities	
STUDY AREA D .....	88
MCCLELLAN RANCH THROUGH BLACKBERRY FARM TO STEVENS CREEK BOULEVARD	
Location, Land Use and Ownership	
Cultural History	
Creek Character, Plant Communities and Animal Life	
Points of Interest	
Site Analysis Findings	
Trail Alignment	
Access Points	
Staging Areas	
Interpretive Stations	
Rejected Alternatives	
Rejected Petition Alignments	
Rejected Blackberry Farm Entrance Alignment	
Habitat Enhancement Opportunities
