

Stevens Creek Trail Etiquette

The Stevens Creek Trail is a multi-use trail used by bicyclists, walkers, joggers and in-line skaters. As the trail is shared by many different types of users, it is important to obey all rules and to show common courtesy.

When using the trail, please keep in mind the following:

- Bicyclists and in-line skaters should give a voice, bell, or horn warning when approaching and passing others. Calling out or ringing a bicycle bell to get the attention of other trail users prevents accidents.
- Always pass slower traffic on the left and keep your speed to a slow, safe pace.
- Approach each bend as if someone were around the corner.
- Watch out for sudden actions by children.
- Wear appropriate protective safety equipment.
- Be sensitive to how others perceive you in order to assure a positive image for your sport and minimize the restrictions that follow confrontations and negative encounters.
